

Warranty

RÖBER PMMA Steg twinwall sheets 16/32 and 16/64 clear

RÖBER PMMA Steg are extruded, high light transmitting twinwall sheets made from impact modified Acrylics (PMMA). This warranty is valid for **RÖBER PMMA Steg** 16/32 and 16/64 in transparent color clear.

Warranty

We provide for **RÖBER PMMA Steg** Sheets 16/32 und 16/64 the following:

- 30 year-warranty to its UV-resistance without yellowing*
- 10 year-warranty to its light transmission (loss of less than 10% compared with new sheets)
- 10 year-warranty to its resistance against hailstones up to diameter of 20 mm

The light-transmission-values are mentioned in our technical datasheet for **RÖBER PMMA Steg**.

Warranty-conditions:

The sheets

- have to be stored, transported, treated and installed (used) correctly,
- should not be thermally formed,
- are not allowed to be influenced (negative) by connecting- fixing- and sealing-elements,
- have to be protected against chemical influence.

This warranty is valid in all countries in Europe. Any demand for warranty outside Europe, please contact us.

Case of warranty

A complaint in accordance with this warranty is accepted,

- if it turns out during the warranty-period and all warranty-conditions are properly documente,
- if written notice is given immediate within the warranty-period and
- the origin invoice for the product is presented and includes name and address of the buyer, the invoice-date, the complete product-name and the product-volume in number of sheets.

In case of an agreed warranty-claim, we replace the material free of charge ex works.

If the replacing-material is not available, the buyer has the right to get back the origin buyer-price.

All further claims are excluded.

Warranty-period

This warranty starts with the day of supply to the user and ends for UV-yellowing 30 years / for light-transmission and hailstone-resistance 10 years after that date.

*valid for clear sheets
