

Warranty

RÖBER PMMA Struktur

We provide a 10 year-warranty for **RÖBER PMMA Struktur** to its UV-resistance* and its light-transmission. **RÖBER PMMA Struktur** are extruded, one side structured compact-sheets made from acrylics (PMMA). The warranty is valid for all structures in colors clear and bronze.

Warranty-content

light-transmission

 **R.GLAS® Struktur**-sheets have a light-transmission up to 90%.

We guarantee following light-transmission-values:

At delivery	ca. 90%
After 10 years	ca. 89%

Warranty-conditions

The sheets

- have to be correctly stored, transported, treated and installed (used),
- should not be thermally formed,
- are not allowed to be (negative) influenced by connecting-, fixing- and sealing- elements
- have to be protected against negative chemical influence.

This warranty is valid in all countries in Europe.

Any demand for warranty outside Europe, please contact us.

Case of warranty

A complaint in accordance with this warranty is accepted,

- if it turns out during the warranty-period and all warranty-conditions are properly documented,
- if written notice is given immediate within the warranty-period and
- the original invoice for the product is presented and includes name and address of the buyer, the invoice-date, the complete product-name and the product-volume in number of sheets.

In case of an agreed warranty-claim, we replace the material free of charge ex works.

If the replacing-material is not available, the buyer has the right to get back the origin buying-price.

All further claims are excluded.

Warranty-period

This warranty starts with the day of supply to the user and ends for UV-resistance 30 years / for light-transmission and hailstone-resistance 10 years after that date.

*valid for clear sheets
